KARABACH MEDIA

Welcome Message

Samson Ogola, FOUNDER

“

Hello and welcome to Karabach Media. I'm so delighted that you are considering to partner with us. While we have complete faith in our ability to deliver the best results to your company...it is the relationships we build with you that matters to us the most. I look forward to forging a long working relationship with you and your team.

About Our Company

Our Visions

WHAT WE STRIVE TO BECOME

The Best Digital Agency In Africa

Our vision is to be the best Digital Marketing Agency, not only in Kenya but in the continent. This we intend to achieve by always delivering above our client's expectations

Kenya

To be Kenya's most trusted
Web Design Company

East Africa

To be East Africa's most
reliable SEO Company

Africa

To be Africa's best Full Digital
Marketing Company

Our Core Values

THE RULES WE WORK BY

Transparency: We don't believe in hidden fees, secret schemes or last minute changes. What you see is what you get

Efficiency: We understand that time is everything and service delayed is service denied. Expect us to deliver in or on time.

Commitment: Your marketing goals are just as important to us as they are to you. Trust us to honor our business deals

Innovation: We are always researching and experimenting ways to deliver even better results for our clients.

Collaboration: No single person/group has monopolies of ideas. And so we engage our clients to arrive at the best result.

Industry: To achieve our vision of being the best in Africa and meet our deadlines, we must work extra hard

Our Services

WE EXCEL IN THESE AREAS

Web/App Design

We use design elements and combine them to achieve a pleasing and memorable Website/App

SEO and SEM

Site optimization is key to increasing the quantity and quality of traffic. We know just what to do

Content Marketing

We understand content is king and key to rank high in SERPs. Let's coin cornerstone articles for you.

Social Media Ads

You bridge the gap between you and your customers on Social Media. Let's fill that gap for you
